An invitation for parents whose children are in kindergarten

Dear parents

The kindergarten your child attends is part of the „Quality in multicultural schools“ (QUIMS) programme. The QUIMS programme has been designed to support schools with a large intake of children who speak a language other than German in their family. From 2014 to 2017 the kindergartens aim to establish a more effective working relationship with parents.

What do you think of the way your child's kindergarten involves you in what they do? What works well? What could be improved? Your child's kindergarten and the Zurich Department of Education are interested in your views. Finding out what you think will help the school improve the way it works together with parents.

You can tell us what you think by completing a questionnaire by 15.12.2016. We would like as many parents as possible to take part in the survey. The more parents that take part, the more comprehensive the results of the survey will be. Please complete one questionnaire per family (mothers and fathers can complete the questionnaire together).

All your answers will be kept confidential and treated in an anonymous way. No-one at your child's school will have access to your answers to the questionnaire.

The questionnaire is available online here:

<https://www.spectrum3.ch/umfrage/eltern>

You will be asked to fill in the name of your child's school.

Please enter „**[Namen der Schule]**“.

The questionnaire is available in different languages: Albanian, English, French, Italian, Portuguese, Serbian/Croatian/Bosnian, Spanish and Turkish.

If you do not have internet access at home, you do not need to take part in the survey. However, you may want to ask your neighbour or your child's teacher if you can make use of their computer so that you can take part.

For further questions about QUIMS, please contact: markus.truniger@vsa.zh.ch

For any questions about the survey, please contact: mroos@sunrise.ch

Thank you very much in advance for taking part in the survey!

Kind regards

Markus Truniger, Programme Lead for QUIMS in the county of Zurich

Markus Roos, external consultant for the survey
